DATE 14 / 01 /2023

Department of Electrical Engineering
Charsadda Road, Mardan, 23200
KPK, Pakistan.

TO

CEO, Wire Coder

Subject: Request for Trainee Placement (Internship)

The internship is an integral part of our Engineering programme and a prerequisite for the award of B.Sc. Electrical Engineering degree. Our students are taught and trained in conformance with the guidelines and standards set by the Pakistan Engineering Council. The University of Engineering & Technology will be obliged if you kindly cooperate with our educational policy and assist us by taking the following student as apprentice training in your organization.

Mr./Miss. Asfandyar Ahmed Awan S/D Rafique Ahmed
Batch 2nd Reg. No 19MDELE048 of the Electrical Engineering department.
The training period of the student will commence from 16 January 2023 to 15 April 2023.

The students will adhere to the policies and rules of your organization in every way. Furthermore, you are requested to please fill-up the feedback form "INTERNSHIP FEEDBACK FORMS" after completion of student internship, and send us the filled form in a sealed envelope or a scan copy to clo.ec@uetmardan.edu.pk. If you require further information, please feel free to contact me.

Sincerely,

Carrier Liaison Officer,
Electrical Engineering Department
UET, Mardan
